

**REHABILITATION NURSING
RESEARCH AND DEVELOPMENT UNIT**

**Royal Rehabilitation Centre Sydney
&
University of Western Sydney**

Achievements 1998-2006

FUNDED RESEARCH

- 2005 Developing rehabilitation nursing practice at PJC. Funded by Peter James Centre.
- 2005 Improving medication management for the person with Parkinson's disease in the acute care setting. Parkinson's NSW Inc., \$40,000.
- 2006 Formative evaluation of the health care plan project community integration program. RRCS, \$25,404.
- 2005 Evaluation of the Rural Spinal Injury Project. \$7,296.
- 2004 Cross-disciplinary communication in inpatient rehabilitation. Funded by Royal Rehabilitation Centre Sydney Rehabilitation and Disability Research Foundation, \$21,087.52.
- 2004 An integrated area health service approach for the delivery of rehabilitation services in rural Australia. Funded by Macquarie Area Health Service and Catholic Health Care Services and Royal Rehabilitation Centre Sydney \$46,786.64.
- 2004 Quality of Care and Life in the Extended Care Setting, Department of Disability, Ageing and Home Care, \$15,183.
- 2004 Rehabilitation Nursing Research Node, University of Western Sydney, \$20,000
- 2003 Audit of self-administration of medication (SAM) practices within rehabilitation units. Royal Rehabilitation Centre Sydney Quality Grant \$4,500
- 2003 Improving nursing admission assessment and documentation. Royal Rehabilitation Centre Sydney Quality Grant, \$4,880
- 2003 Validation of Rehabilitation Nursing Competency Standards for Registered Nurses. The Australasian Rehabilitation Nurses' Association, \$7,949
- 2003 Interface between staff, patients and visitors in acute care settings. University of Western Sydney, RIBG funds \$4,995
- 2003 Affect of acute care experience on rehabilitation outcomes, School of Nursing, Family and Community Health, University of Western Sydney, RIBG funds \$1,350
- 2002 Audit of nursing documentation. RRCS Quality Grant, \$4,957 and School of Nursing, Family and Community Health, \$6,134
- 2002 Feasibility of the establishment of a residential facility for people with acquired brain injury at Nowra, NSW. ANGLICARE, \$32,192
- 2002 Interface between staff, patients and staff in rehabilitation settings School of Nursing, Family and Community Health, University of Western Sydney, RIBG funds \$2,700
- 2002 Living with Parkinson's: A profile of the membership of Parkinson's NSW Inc School of Nursing, Family and Community Health, University of Western Sydney, RIBG funds \$4,050
- 2001 Interface between staff, patients and visitors in rehabilitation settings. University of Western Sydney/Royal Rehabilitation Centre Sydney Partnership Grant, \$20,000
- 2001 Latex Sensitivity Project, NSW Nurses Registration Board, \$4,545
- 2001 Understanding anger following spinal cord injury. Northern Sydney Health Research Grant, \$15,768 and Royal Rehabilitation Centre Sydney Allied Health Research Grant \$2,800
- 2001 Self management of faecal continence by people with spinal cord injury. National Continence Management Strategy, \$30,779
- 2000 Prediction of risk of aggression in patients with acquired brain injury. Northern Sydney Health Research Grant, \$13,000 and Royal Rehabilitation Centre Sydney \$1,715
- 2000 You're going to rehab. Collaborative project between Launceston General Hospital and Royal Rehabilitation Centre Sydney. Funded by Clifford Craig Medical Research Fund, \$3,000
- 1998 Job analysis of the role of the registered nurse working in rehabilitation. University of Western Sydney Nepean Seed Grant, \$5,167
